Come hear stories celebrating what God has done through PMI this past year.

There is no charge to attend the event but reservations are required. Last year we filled up quickly. Don't delay in reserving your seat.

### SPECIAL GUEST SPEAKER

Catherine Adair worked for Planned Parenthood of Massachusetts at the largest abortion clinic in New England. There she witnessed thousands of abortions. After seeing the aftermath of a second-trimester abortion, she was forever changed. Her personal experience with abortion at age 19 and time working at Planned Parenthood changed her from a pro-choice feminist to a pro-life activist. Her story is one of hope and healing. She shares her story in the hope that those fighting for life will know their prayers and faithfulness bear fruit, and that more people will be converted to the culture of life.

## Walk/ K Run for Life 20156

What a busy spring we had! We hosted our first ever satellite Walk in Waynesboro at Otterbein Community Park in May and then had our annual fiveK Run & Walk in June at Norlo Park, Fayetteville. It was wonderful to see so many people come out to support PMI. Lots of individuals and families came, walked, and played.

We had face painting, a clown, free massages, and LOTS of food. The Lord blessed us with dry weather even though the forecast predicted otherwise. Visit our website to see more photos: [www.pregnancyministries.org/events](http://www.pregnancyministries.org/events) Over \$19,000 was raised to continue supporting moms, dads and babies! Thank you to all that participated, volunteered or sponsored. We are so grateful for you!

## Excuse me... Could I have a word with you?

My Mom went to Pregnancy Ministries when I was just a little tyke - still living on the inside! She got a lot of help and learned about how to keep me healthy and safe until I made my debut. She also got stuff to help out - like diapers and wipes and clothes - I didn't want to stay in my birthday suit forever! Anyway, there are lots of other Moms like mine who could use

the help and teaching from Pregnancy Ministries. Only thing is, PMI could use some help too - from YOU!

They can especially use ladies to meet with the Moms or help out in the office answering the phones and greeting the Moms when they come in. Without those nice ladies, Moms like mine wouldn't get the help! They can use men to teach the new Daddies how to be good Dads, too. PMI will even teach you how to do all of it. There's stuff to learn and takes a little work - but babies like me are worth it!

There are other things too you can do without having to learn a lot - like fixing things around the center, painting, weeding, sorting and laundering the things babies like me need, helping out on committees or with the fundraisers, maybe even be on the Board of Directors! There's LOTS of ways to help.

Just call one of the centers and see what you can do - the phone numbers are on the front page.

Who knows? You might even get to hold a cute guy (or girl) like me! Just don't pinch my cheeks...Ugh!

**Call any center for more details on receiving a volunteer packet.**

**Meet the Center Director and receive a tour.**

**Learn about our self-paced training and how you can help!**
