## Supporting Pregnancy Ministries

PMI is bringing change to our culture, one life at a time, by offering love and compassion to those who feel vulnerable and uncertain. We do this by connecting clients with client advocates who offer support, prayers and education. We also provide tangible help such as diapers, formula, clothing and more. We provide pregnancy tests, STD/STI education and free ultrasounds as well.

Most importantly, hearts are touched with the love and grace of God through our volunteers and staff with each interaction.

**Thank you for your continued support  
as we uphold the sanctity of life  
by providing Christ-centered  
assistance.**
